

**ST. LOUIS SCHOOL ANNUAL PLAN 2019-2020****SUBJECT / TEAM****MUSIC****(I) Aims**

Students are able to understand & appreciate music through music lessons & various activities.

(II) Situational Analysis**(a) Strengths**

1. Only 2 members in the panel. Good in communication.
2. We have a special room for ourselves (Music Room) which can be used for various rehearsals any time after school.

(b) Weakness

Due to limited number of panel members, we sometimes feel that we do not have enough time for practices and rehearsals during performance months.

(c) Opportunities

Provide students opportunities to participate various outside school music activities. For example: HK Schools Music Festival, Thanksgiving Nite & Talent Time.

(d) Threats

During the months of HK Schools Festival & Thanksgiving Concert, various rehearsals take place on the same day and at the same time, usually after school.
